Muhammad Uzair Karghatra

GROUP CHAIRMAN

I believe creativity is not just about **design, visuals, or marketing**. It is about responsibility.

Ilham Creatives is an ethical, **value-driven** creative agency committed to helping brands grow with purpose, authenticity, and integrity.

We combine modern digital marketing, branding, content creation, and immersive technologies with Shariah-compliant principles to deliver meaningful impact. Our mission is to **empower businesses** and institutions through creative solutions that **inspire trust** and **sustainable growth**. We aspire to become a **global benchmark** for ethical digital excellence.

Syed Saif

CO-FOUNDER

Syed Saif is the Co-Founder and CEO of ILHAM Creatives, leading the company with a vision for **innovation** and **ethical technology**.

With expertise in marketing, media, and business strategy, he drives digital transformation through **AI, AR/VR**, and **software solutions**.

His leadership extends across real estate, technology, and strategic partnerships, positioning ILHAM as a leader in **next-generation creative** and **tech innovation**.

Zubair Khan

Group CBO

Zubair Khan serves as the Group Chief Business Officer (CBO) at ILHAM Creatives, leading the company's business growth with **20 years of experience** in **strategic partnerships** and marketing initiatives. With extensive expertise in **business development, brand positioning, and market expansion**, he plays a key role in building lasting client relationships and identifying new opportunities. His strategic vision and results-driven approach help drive **sustainable growth** while strengthening ILHAM Creatives' presence across diverse industries. Through his leadership, the company continues to expand its impact as an **innovative and value-driven creative technology firm**.

Muhammad Abdullah

Creative Director

Creative Director at ILHAM Creatives, overseeing the company's operations, creative strategy, and business development. With expertise in **digital marketing, branding, content production, and growth strategy**, he leads the execution of innovative campaigns that deliver **measurable impact**. Passionate about ethical and purpose-driven creativity, he ensures every project reflects ILHAM's vision of combining **innovation with integrity**. His leadership continues to strengthen the company's position as a **forward-thinking creative and technology partner** for businesses and institutions.
